A&I PROPERTY INSPECTIONS

PROTECTION THAT GOES BEYOND *the Inspection*

YOUR COVERAGE INCLUDES:

6 MONTH INSPECTION WARRANTY

We offer inspection warranty protection with 6-months of coverage for electrical, mechanical and plumbing listed in your inspection report, including structural/roof, applicances, and HVAC systems.

6 MONTH NEW MOLD PROTECT

Our mold plan covers your homebuyer for the treatment of any new mold appearing in your inspected areas.

6 MONTH WATER/SEWER PROTECT

Homebuyer must have a sewer scope performed as part of the inspection in order to have protection against any new arising issues not found during the scope.

6 MONTH EXTENDED ROOF COVERAGE

We offer extended roof protection with 6-month coverage options on your inspected roof for any new leaks. Coverage is applicable for all standard roof types.

Complementary extra protection included with your home inspection!

6 MONTH INSPECTION WARRANTY

This Plan Agreement ("Agreement") is entered into by Summit Warranty Corp ("Administrator") and the inspection client ("Plan Holder"). This Agreement establishes the terms under which Administrator will provide limited repair and reimbursement benefits for certain defects discovered during the applicable coverage period.

1. Eligibility and Scope of Coverage

1.1 **Covered Items.** Coverage applies only to items that:
(a) were inspected during the full home inspection; and
(b) were documented as being in good working order at the time of inspection.

1.2 **Excluded Items.** Items not inspected, inaccessible items, or items noted as deficient or requiring specialist evaluation are expressly excluded.

1.3 **Professional Assessments.** The Plan Holder may obtain an initial assessment from any licensed or certified professional. Administrator reserves the right to request additional estimates.

---

2. Structural Coverage

2.1 **Covered Structural Components.** Coverage is limited to:

- Poured concrete foundations
- Block wall foundations
- Floor joists
- Plates
- Load-bearing walls
- Standard 6 month roof leak protection is included in the structural coverage unless an extended roof leak coverage is included with the inspection

2.2 **Financial Terms.**
Deductible: **$250 per incident**
Maximum Benefit: **$2,600 per incident**

---

3. Extended Roof Coverage

3.1 **Covered Roof Repairs.** Coverage applies solely to **roof leak repairs** caused by normal wear and tear or deterioration.

3.2 **Exclusions.** Coverage does **not** include:
- Roof replacement
- Damaged, chipped, or cracked shingles or tiles
- Any defect, expert referral or condition noted in the inspection report
- Leaks originating from areas identified in the inspection report
- Secondary damage resulting from any leak
- Damage from external forces or weather events (fire, hail, hurricane, etc.)
- Damage due to neglect, abuse, or lack of maintenance

3.3 **Financial Terms.**
Deductible: **$500 per leak**
Aggregate Limit: **$2,600 per property**

---

4. Plumbing, Electrical, HVAC, and Appliance Coverage

4.1 **Plumbing Systems.** Water lines, faucets, water heaters, drain lines, and gas lines.

4.2 **Electrical Systems.** Main and secondary service panels and wiring.

4.3 **Appliances.** Kitchen appliances, refrigerator, built-in microwaves, trash compactors, washers/dryers, and garbage disposals.

4.4 **HVAC Systems.** Furnaces, air conditioners (condenser and blower), and thermostats.

4.5 **Age Limitation.** Appliances and HVAC systems must be **under 12 years old** at the time of inspection.

4.6 **Financial Terms.**
Deductible: **$0**
Aggregate Limit: **$500 per incident**

---

5. New Mold Protect Coverage

5.1 **Covered Mold Conditions.** Coverage applies only to **new visible mold**:

- Not present at the time of inspection
- Visible and accessible to the inspector
- Located on permanently installed surfaces

5.2 **Financial Terms.**
- Aggregate Limit: **$2,000**
- Deductible: **$250 per affected area**

5.3 **Exclusions.** Includes but is not limited to:

- Pre-existing mold
- Mold caused by neglect or third-party actions
- Homes under renovation
- Mold caused by acts of nature or plumbing line breakages
- Mold discovered after removal of walls/floors
- Medical, lodging, or lost-time expenses

6. . Sewer Protect Coverage

6.1 **Eligibility.** Coverage applies only when a sewer scope was performed with the full home inspection.

6.2 **Covered Exterior Lines.**

- Water supply line (to meter or main shutoff)
- Sewer/septic line (from exterior wall to utility connection)

6.3 **Financial Terms.**
- Aggregate Limit: **$2,000**
- Deductible: **$250 per incident**

6.4 **Exclusions.** Includes:
- Acts of nature
- Owner neglect
- Defective materials
- Code-related repairs
- Pre-existing damage
- Shared lines
- Renovation-related damage
- Improper line depth
- Clogs of any kind

---

7. General Coverage Terms

7.1 **Coverage Period.** Coverage begins on the date of the home inspection and continues for **6 months**, except extended roof leak coverage as otherwise stated.

7.2 **Aggregate Limit.** Total liability under all coverages is **$3,100 per property.**

7.3 **Exclusions.** Includes but is not limited to:

- Brick failures
- Cracking or scaling concrete
- Pest damage (other than termite/ant coverage)
- Damage from extreme natural events

7.4 **Maintenance Requirement.** Covered items must be maintained according to manufacturer or reasonable standards.

7.5 **Secondary Coverage.** This Agreement is secondary to all other warranties or insurance and may not be applied toward their deductibles.

7.6 **Governing Law.** This Agreement is governed by the laws of **Hamilton County, Indiana**.

---

8. Claims Procedure

8.1 Claims must be submitted through the Administrator's online portal at www.summitwarrantyclaims.com.

8.2 Required documentation includes:

- Full home inspection report
- Detailed contractor estimate (parts, labor, cause of failure)
- Contractor contact information

Administrator may request up to two additional estimates.
